

Wanted: Trials riders from Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming

You're eligible to compete in MotoTrials at the Utah Summer Games at Cedar City, Utah June 11, 2011 at Three Peaks Recreation Area

Hey Trials riders. The big rocks of southern Utah and gold, silver and bronze medals, it doesn't get any better than this!

Zion and Bryce Canyon national parks are close by, so bring the family.

[Registration](#) is open for the June 11th event with the [Utah Summer Games](#) (USG). For those of you not familiar with the USG, this is our state's version of the Olympics in that there are literally hundreds of [sporting events](#) involved, from basketball to fencing to well... [MotoTrials](#). We called it MotoTrials to not get it confused with some of the other "trials" type competitions involved. MotoTrials is the ONLY motorized event recognized as an Olympic type sport that is allowed in the games. This event is open not only to Utah riders, but also riders from all the surrounding states including Alaska, Arizona, California, Colorado, Hawaii, Idaho, Montana, Nevada, New Mexico, Oregon, Utah, Washington, and Wyoming. Not sure how Alaska and Hawaii are surrounding states but them's the rules.

**You should register on line and then check-in with the USG prior to the event.**
